**Graeme Burnett**

**President, Chief Executive Officer**  
Total Petrochemicals & Refining  
USA, Inc.

### **Graeme Burnett**

Graeme Burnett is the President and Chief Executive Officer of Total Petrochemicals & Refining USA, Inc. and the Country Representative for all Total companies operating in the United States with a combined workforce of more than 5,900 people in the upstream, downstream and specialty chemicals industries. He also serves as the Senior Vice President of Refining-Petrochemicals Americas for Total, S.A.

Burnett, who holds a graduate degree in Chemical Engineering from Teesside University in the United Kingdom, joined Total in 1980 in which he held a number of positions both internationally and at the Port Arthur Refinery in Texas.

His recent experience at the company includes serving as Vice President, Styrenics Asia in Guangzhou, China; Executive Vice President & Joint Representative Director of the Samsung-Total Petrochemicals joint venture in Seoul, South Korea; and as Senior Vice President, Middle East & Asia before his current appointment.
